## THE OFFICIAL CITY ORGAN.

FRIDAY, SEPT. 13 1895.

### ABOUT TOWN.

Another light rain fell this morning.

The up-river mail arrived at 10:30 last night.

Fresh drugs received every steamer at Botica del Leon.

For SALE:—A Brewster buggy, almost as good as new. Apply at this office.

Steamer Clinton sailed from Galveston at 2:30 this afternoon for Brazos Santiago.

For SALE:—A cypress cistern, 5000 gallons capacity; 2 inch staves. Apply at THE HERALD office.

For SALE:—A two-story brick house on Elizabeth street. For particulars apply at this office.

The river is falling fast at Ringgold, Edinburg and Santa Maria. It has fallen here over two feet.

A fine assortment of perfumery, toilet soaps, combs, brushes, etc., etc., just received at the Botica del Leon.

**The U. S. Gov't Reports**  
show Royal Baking Powder superior to all others.

The steamship Clinton sailed from Morgan City for Brazos at 1 o'clock yesterday afternoon with 12 cars of freight.

A fresh lot of garden and flower seed have been received at Barreda's; guaranteed to be the best and freshest seeds in the city.

Quite a number of Mexicans came down on the M. & M. railroad yesterday, crossing to this side as witnesses in the district court.

The Rio Grande train left for Point Isabel at nine o'clock this morning, but will not return this afternoon owing to high water on the track from the overflow.

Corpus Christi Caller: It is with much regret the Caller learns of the fate of Capt. Bernard Tereza of the schooner Garnock. The captain was well known here where the vessel formerly ran, the boat for sometime being owned by Mrs. C. M. Sidbury.

Just received by Bloomberg & Raphael, at their retail dry goods establishment, a new importation of ladies and gent's best quality Maco yarn black hose. These extraordinary fine hose they are selling at the following prices: Ladies' hose—\$4.50 to \$7 per dozen; Gent's hose—\$4 to \$7 dozen.

The aggregate of three passengers coming in on the Alice stage Wednesday was just 680 pounds. Considering the fact that the stage also carried a double mail that day, and the roads in such bad condition, it is somewhat surprising that it reached here as early as eight o'clock. None but the excellent draft horses used by Capt. Beynon could have pulled through so promptly, under such circumstances.

A wreck occurred on the M. & M. road yesterday afternoon at 1:25 at a station opposite Santa Maria, three cars, two freight and one passenger coach, leaving the track and turning over. Fortunately, however, no one was hurt and the train on its way to Matamoros was delayed but a short time. As far as we could learn the wreck was caused by the looseness of the roadbed, caused by the recent heavy rains and the overflow of the river, allowing the rails to spread, ditching the cars.

### PURELY PERSONAL.

Jim Scott and Will Jones left this morning for El Paso.

Herbert H. J. Sherwood, Jr., of Brownsville, a cousin of General Manager Monserate of the Aransas Pass, is in the city, en route to the A. & M. College, where he will attend school.—San Antonio Express.

Laredo News: Judge Monroe, of Rio Grande City, came in from San Antonio yesterday afternoon en route to his home at Rio Grande City, and left over the Corpus road this morning. He was a guest of the Commercial hotel.

### A GREAT SUCCESS.

Many Brownsvillians Attend The Matamoros Concert.

The concert given at the opera-house in Matamoros last evening for the purpose of making public improvements, was very largely attended by the best people of both the Twin Cities, and all unite in declaring it a great success. About fifty persons from Brownsville attended. The program was well selected and the performers, who comprised the most talented of Matamoros' musical and dramatic circles, all did their parts to perfection. Chief among the features of the program were the following:

Operetta by Misses Josefina Canales, Maria Guzman, Maria Cantu, Ysabel and Antonia Villalobos, Isabel Neilson, Maquela de la Garza, E. and G. Bouchard, P. and R. Garibay, E. Quintana, A. Knosel, and Messrs. Modesto Gonzales, Manuel Colsa, M. Martinez, and J. M. Acuna.

"Gran Fantasia," Gottschalk, piano solo, by Miss Emilia Canales.

"Il n'aime que moi" vocal solo Miss Inez Cross, accompanied on the piano by M. Gonzales.

Raff's "Cavatina," violin by Julio Igartua, accompanied on piano by Miss Emilia Canales.

Piano solo by Miss Maria Guinea.

Song "Pensar en el" by Miss Josefina Canales, accompanied on piano by Miss Emilia Canales.

Duet "La Tempestad" by Miss Maria Guzman and M. Martinez.

Serenade from Schubert, by Julio Igartua on the violin, accompanied by Miss Canales.

Other pieces were also worthy of mention, but space forbids.

The interludes by Prof. Acuna's orchestra were also much enjoyed.

Matamoros has a number of highly talented singers and pianists.

Among the former Misses Inez Cross, Josefina Canales, and Isabel Neilson, and Manuel Colsa stand first, while Miss Emilia Canales, Professor M. Gonzalez and J. M. Acuna lead among the latter. Julio Igartua of Brownsville, who took part in the concert, is also a fine violinist.

### POINT ISABEL POINTERS.

For THE HERALD.

Isabel, Tex., Sept. 12.—The schooner Hettie May left Corpus Christi day before yesterday and arrived here yesterday at 6:30 p. m. Capt. Wm. Anderson commander.

The Lake Austin, Capt. Bill Lawson, arrived in sight yesterday about the same time as the Hettie May. She brings a cargo of lumber for the lumber merchants of Brownsville.

E. C. Forto's hotel building, conducted by Florentino Gonzales, is being repaired and painted. It was blown off the blocks on the north-west and north sides during the storm.

A. C. Howell left this morning for Alice with his daughter Miss Maggie, en route to Belton, Texas, where Miss Maggie will attend school at Baylor college. All of her friends wish Miss Maggie much success in her studies.

### TODAY'S COURT NOTES.

The following business was transacted this morning:

In the case of Bloomberg & Raphael against Young and McAllen, in which a demurrer was sustained to the pleading filed by Young and McAllen in this court, the appellate court at Galveston has reversed the decision below and the case now comes back for a hearing on the merits.

In the case of Louis Cowen vs. Bloomberg & Raphael, defendants' motion to dismiss suit for failure of plaintiff to file cost bond was sustained and was dismissed. Defendants Bloomberg & Raphael then announced ready for trial upon their plea in reconvention.

### THE BIKE CRAZE.

For THE HERALD.

It has struck us hard and quick— This two-wheeled bike— And goes at such a lick And flashes past so slick, You haven't time to prick Up your ears. It's a crazy trick— I never saw the like.

Ill luck betides it, Yet everybody rides it, The women and the boys, The men and little girls— Everybody whirls.

Away their time on these spider-legged toys.

One's anatomical inside arrangement Is jolted into permanent derangement.

And a header is an everyday affair, But for quite a while It's been all the style, And they'd ride it, if they climbed the golden stair.

The next minute, And there's something in it, Too.

Who Could resist the opportunity to dis-close.

In full—not by halves— A comely pair of calves? And then suppose

You wish to ride with your best girl: You take a pleasant whirl And inside an hour,

With little pedal power, You've traveled through the most secluded spots in town.

And if she tumbles down, To pick her up Fills your cup.

Of bliss to overflowing, And right here I'd like, While I sing,

To remind you that the bike Teaches one good thing: "If you wouldn't fall, keep a going."

### DIED A STRANGER.

Corpus Christi Caller.

Three weeks ago a man was seen at Mr. John Dunn's well, several miles from this city, but soon disappeared. Three days later Mr. Dunn found the man lying in his field suffering intense agony. He took the stranger to his house and cared for him until he was able to be brought to this city two weeks ago, when he was brought to the Wade Inn and placed on the county. He gave his name as "John Dunn," 66 years old. The man grew worse daily and yesterday he died. There was not a scratch of a pen in his effects to show where he was from, where he was going or that he had a friend or relative in the world. His funeral, which took place yesterday afternoon, consisted solely of a hearse and one man besides the driver.

### A TIMELY REMINDER.

Each season forces upon our consideration its own peculiar perils to health. The advent of fall finds many reduced in strength and vigor, poorly prepared to continue the business of life. The stomach and bowels, the greatest highway animal economy, is especially liable to disorder in the fall. The nervous system has also suffered in the struggle. Typhoid fever and malaria in particular find in the fall that combination of earth, air and water that mark this season as especially dangerous. The falling leaves, the decaying vegetables contribute their share of contamination. Hood's Sarsaparilla furnishes a most valuable safeguard at these important points, and should be used in the fall before serious sickness has laid you low.
